DETAILED ACTION

1. Claims 1-11 are in the application.

Claim Objections

2. Claims 4-11 are objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim can not depend from any other multiple dependent claim. See MPEP § 608.01(n). Accordingly, the claims 4-11 not been further treated on the merits.

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claim 3 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 3 the use of the limitations “may be slid” and “may be fixed” make this claim indefinite for it is not clear if the limitations form part of the claim.

Allowable Subject Matter

5. Claims 1 and 2 are allowed.

Conclusion

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Johnson (6,257,261) and Shearer et al (6,725,871) disclose boat canopies.
